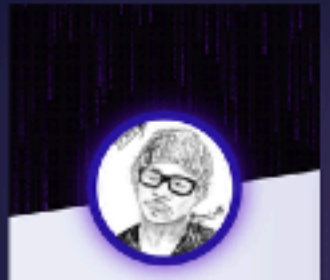
Team of 4uns

Collaborative

Meet the team;

GRIDIO CREATIVES

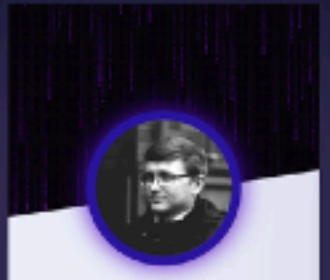


Irik Henry

Lead UI/UX and Frontend

Visionary UI designer striving for HQ frontend. No bullshit. No nonsense. Does nothing.

LEAVE A MESSAGE

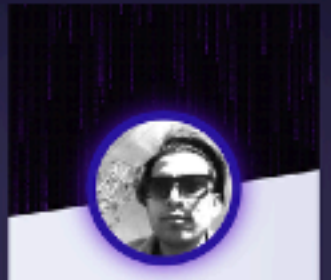


Rostislav Petrenko

Lead Backend Developer

Responsible for project game development and working with various javascript libraries.

LEAVE A MESSAGE



Rabindra Manandhar

Backend DevOps

Socially coder. Otherwise he's chill when he loves the crowd while developing is over.

LEAVE A MESSAGE

Riikka Harju

Project Management and DevOps

No comment is.
